

Fire damage May 11, 2016

Mitigation completion November 4, 2016

## You are invited! **Public Open House**

Derrin Farm House, 249 West Avon Road, Avon  
Sunday, November 20, 2016 from 1:00 - 4:00 p.m.

View the mitigation work done by American Integrity Restoration (AIR) of Glastonbury since an accidental fire destroyed several rooms earlier this year. Meet AIR staff and experts who remediated and mitigated the damage. They will provide tours and answer questions. Feel free to touch and feel the new and the old as the “bones” of this historic home will be on display! You are welcome to hike the .41 mile Horse Guard State Park up the hill behind the house! A kiosk on site provides more details.
